The National Institute of Open Schooling (NIOS) is a Government of India initiative that seeks to enhance the learning process on a nationwide basis and the Secondary School Certificate Examination (SSC) of the Maharashtra State allows students to appear as private students.

The Program offered at NLFP endeavors to provide support and learning assistance to students who are engaged in the NIOS/SSC Syllabus. To that extent, this Program merely supplements the NIOS/ SSC training.

Pursuant to the foregoing:

- (1) ..... (Name of the Child) wishes to receive learning assistance to cope with the NIOS /SSC curriculum.
- (2) The Program offered at NLFP endeavors to provide such learning assistance and imparts training to those students through trainers in the respective areas of studies.
- (3) The Program offered at NLFP endeavors to provide such learning assistance on a “best efforts” basis, through appropriate trainers and resources and therefore only provides supplemental support
- (4) It is acknowledged that such learning assistance alone would not be sufficient for the overall development of the children and that they require sound care, affection and guidance to cope with their learning disabilities, outside tutorial hours.
